Dear Himanshu Pandey,

Congratulations on your outstanding academic achievement in the Winter 2024 term. Attaining Honours standing demonstrates hard work and self-discipline. You should take pride in this accomplishment.

Exceptionally high grades typically reflect not only strong academic achievement, but also a high degree of practical knowledge and the ability to apply it within your field of study. It is this element that will be critical for your continued success after you graduate.

The professors in the Web Design and Development program are proud of your accomplishments and wish you continued success in your future endeavours. You are a credit to yourself, the Faculty of Media & Creative Arts, and Humber College Institute of Technology and Advanced Learning.

Sincerely yours,

Guillermo Acosta, Senior Dean
